

FSC PRODUCT LABELING GUIDE

EXCEPTIONAL CIRCUMSTANCES

BELOW MINIMUM SIZE

In exceptional circumstances, due to the size of product, where the application of an FSC label at minimum size is not possible either on the packaging or on the product, a request for authorization must be obtained from your FSC accredited certification body to label the product with the following elements:

1. The FSC logo
2. Label title
3. Abbreviated copyright claim
4. Certification code number

Examples

Shown are several examples of how such configurations might work. Please note, these are not available as artwork and are purely indicative only.
