JOIN US FOR LUNCH AND A PRESENTATION ON FSC BY
FSC CANADA'S PRESIDENT AND CEO, ANTONY MARCIL

The FSC Xpert program is an educational program and designation for **graphic design, communications and marketing professionals** committed to responsible forest management. You will be able to guide your clients to the right choice with the knowledge and skills to successfully source and manage projects using Forest Stewardship Council (FSC) certified paper products.

Meet the president and CEO of FSC Canada, and learn how you can **Change the World.**
